

Among the mountains

Mezi Horami

Čechomor

Czech text with English translation

Mezi Horami

Mezi horami, lipka zelená
zabili Janka, Janíčka, Janka
miesto jeleňa
Keď ho zabili, zamordovali
na jeho hrobě, na jeho hrobě
kříž postavili
Ej křížu křížu, ukřížovaný
zde leží Janík, Janíček, Janík
zamordovaný
Tu šla Anička, plakat Janíčka
hned na hrob padla a viac nevstala
dobrá Anička

Among the mountains

Among the mountains, a green linden tree
They killed Johnny, Jonnie, Johnny
Instead of a deer.
When he was killed, murdered
On his grave they built a cross.
Cross, cross, crucified.
Here lies Johnny, Johnnie, Johnny
murdered.
There Annie went to cry for her Johnny.
She fell at the grave and never rose
again,
good Annie.
